

CLINIC NEWSLETTER

- Several long-term Clinic providers retired this year. We thank these dedicated community members for their many years of service.
- During fall 2023, the DCFC shifted to a “walk-in” model of services. The Clinic followed this model for nearly 18 years prior to the COVID-19 Pandemic and continues to follow a walk-in model into 2024.
- DCFC now accepts donations through the smartphone app, Venmo. Simply search for *@DecorahCommunity-FreeClinic* and make your contribution today!
- Social media engagement helps us spread the word about the Clinic, share important updates, and reach potential volunteers. Follow us on Facebook and check out our updated website:
